Dear Hiring Manager,

I am writing to express my interest in the Data Scientist/Data Analyst position at your Company as advertised. With a passion for leveraging data-driven insights to solve complex problems, I am excited about the opportunity to contribute to your dynamic team.

During my one-year experience in software development at TCS, I refined my abilities in programming languages and technologies essential to the work. I worked on several projects that provided me with a solid foundation in statistical analysis, machine learning methods, and data visualization approaches. I am confident in my ability to add value to your team. I am really excited about the opportunity to put my skills to use, and I am eager to contribute to this company. I am confident that my talents and experiences will benefit your organization.

Thank you for considering my application. I am looking forward to the opportunity to discuss how my background, skills, and enthusiasm align with the needs of the Company. Please find my resume attached for your review.

Sincerely,
Sailavanya Narthu
